

**Declaration of Conformity WE no 17TP/CE-14/08**  
**Issued according to European Directive concerning Construction Products 89/106/EEC**

**1. Manufacturer of product:**

**BUDMAT**  
 Bogdan Więcek  
 09-407 Płock, ul. Otolińska 25  
 Production plant: 09-407 Płock, ul. Otolińska 25.

**2. Name of construction product:** Ceiling section BUDMAT CD 60 to be applied for construction of suspended ceilings in the system of interior dry construction from gypsum cardboard.

**3. Statistical classification of construction product:**

PKWiU 28.11.10-35.19

**4. Usage and range of product usage:**

Usage: inside buildings, installation of suspended ceiling frame.

**5. Technical specification:**

Polish standard 13964:2005/A1.

„Suspended ceilings. Requirements and methods of research.”

No	Technical feature	Declared value		
1	Reaction on fire	Euroclass 1		
2	Durability	Corrosion protection class – A		
3	Material	DX51D		
4	Steel sheet thickness	0,50	0,55	0,60
	Capacity – class 1	usable	71N	80,9N
destructive		289N	339N	363N
5	Dimensions	27/60/27		
6	Type of coating	Z100 – Z275 g/m2		

**6. Declared technical features of product type:**

Sections from galvanized steel for dry construction may be applied in areas of corrosion category C1, C2.

Detailed technical features are in accordance with specification available with product pack.

**7. Name and number of accredited certifying bodies or laboratories and certificate number or report number from the researches of the type, if this body took part in the applicable system of building product conformity estimation:**

Building Research Institute:

Department of Research on Lightweight Partitions and Glazing NL-1179/01, NL-4078/P/06

Department of Durability and Protection of Building NO-2/819/A/2008

Conformity Certificate ITB No-1571/W

I declare with full responsibility that the building product is coherent with technical specification described in point no 5.
