

Declaration of Conformity WE no 17TP/CE-5/08
Issued according to European Directive concerning Construction Products 89/106/EWG

1. Manufacturer of product:

BUDMAT
Bogdan Więcek
09-407 Płock, ul. Otolińska 25
Production plant: 09-407 Płock, ul. Otolińska 25.

2. Name of construction product: Wall section BUDMAT C 100.**3. Statistical classification of construction product:**

PKWiU 28.11.23-63.19

4. Usage and range of product usage:

Used for light frames of partition walls inside buildings.

5. Technical specification:

Polish standard PN-EN 14195:2006.

„Elements of metal frame to be applied with gypsum cardboard. Definitions, requirements and methods of researches.”

6. Declared technical features of product type:

No	Technical feature	Declared value
1	Reaction on fire	Euroclass 1
2	Tension resistance	180.N/mm ²
3	Material	DX51D
4	Steel sheet thickness	0,50; 0,55; 0,60
5	Dimensions	51/98,8/48
6	Type of coating	Z100 – Z275 g/m ²

Sections from galvanized steel for dry construction may be applied in the areas of corrosion category C1, C2.

Detailed technical features are in accordance with specification available with product pack.

7. Name and number of accredited certifying bodies or laboratories and certificate number or report number from the researches of the type, if this body took part in the applicable system of building product conformity estimation:

Building Research Institute:

Department of Research on Lightweight Partitions and Glazing NL-1179/01, NL-4078/P/06

Department of Durability and Protection of Building NO-2/819/A/2008

Conformity Certificate ITB No-1571/W

I declare with full responsibility that the building product is coherent with technical specification described in point no5.
